The undersigned Applicant requests EnviroTech Services, LLC ("ETS") to make **two** dust suppression treatments at the location noted above, in compliance with County requirements, and agrees:

- DEADLINE FOR SIGN-UP IS** . Applications **MUST** be received by this date to receive the first treatment. **Late applications will receive the second treatment only.**
- Applicant shall measure the area to be treated accurately, and maintain flags marking the boundaries of that area. **Flags must be in place by April 15th and remain in place and visible until October 15th.** Flags not only help ETS's drivers apply treatments, they also help the County blade operator identify treated areas. Failure to maintain flagging may result in dust control being bladed through. Neither the County nor ETS assumes any liability if flags are not in place and visible. If flags are not visible, ETS may apply the treatment using reasonable judgment, or cancel the treatment.
- Applicant affirms having read the County's Dust Control Policy, and acknowledges that the County reserves the right to blade the treated area if it is deemed necessary for protecting county infrastructure or public safety.
- ETS does not guarantee the performance of the dust suppression treatments. Factors beyond ETS's reasonable control, such as weather, surface preparation, or heavy traffic patterns, can adversely affect the treatment. Treatments will not be repeated due to these factors.
- If credit card information is entered on this form, the Applicant acknowledges that ETS is not responsible for any loss of that information that occurs during transit to ETS.

We appreciate your business!

Living near construction sites or gravel roads comes with challenges like reduced visibility, respiratory issues, and dusty surroundings. Our environmentally safe and cost-effective products provide reliable dust control for unpaved roads, ensuring a cleaner and safer environment.

Follow these steps to keep the dust away:

1. ONLINE:

A. Scan this QR Code to fill out the order form and pay on our secure site.

2. MAIL:

A. Complete the order form on the other side of this sheet and mail in with check.

3. CALL:

A. Call 515-390-1171 to complete the order and pay by phone.

4. Measure:

A. Use a measuring wheel or stride listed paces for the distance you want treated.

B. Place flags at start and finish by April 15th through October 15th.
